

You Can Count on the Chamber!

Top Five Membership Benefits

1. Business Advocacy: The Chamber represents and serves as the voice of the business community and maintains contact with local and state officials keeping them informed of the needs and concerns of business owners.

2. Networking and Community Involvement: The Chamber offers 30+ networking and community events each year.

3. Information Center: The Chamber provides information to members and general public about the community, business contacts, services and programs available for business people.

4. Public Relations: The Chamber serves as a public relations division for member businesses by assisting in promoting their philanthropy, awards, promotions, job opportunities, etc.

5. Advertising: The Chamber provides affordable advertising that promotes member businesses to other members and the general public.

East Providence Area Chamber of Commerce serves the communities of East Providence & Barrington, Rhode Island and Seekonk & Rehoboth, Massachusetts
